

Sporting Targets Ltd

Shotgun Skills Programme

This is a 3 hour course, endorsed and certified by the Clay Pigeon Shooting Association and run here at Sporting Targets.

The course covers everything the new or novice shooter needs to know about;

- Safety
- Gun Fit and Eye Dominance
- Correct stance and foot position
- The method of how to shoot simple targets reliably and effectively, which can then be applied to more complex targets
- Personal Protective Equipment
- Different types of shotgun and types of shotgun that are deemed unsuitable, over view of gun licensing laws
- The different types of cartridge, and construction, gauges, how to deal with misfires
- How you can adjust the gun to shoot different targets, using “chokes”
- Shoot gun “proofing” how to read the proof marks and the implications of making alterations to a shotgun
- The Law relating to shotguns
- Care and maintenance of a shotgun
- On range shooting lesson, employing all that has been learned

At the end of the course you will be presented with a certificate and cloth badge, issued by the CPSA, stating that you have completed the course.
