

# Jack Pyke English Open 2022

Now in it's 13th year, the Jack Pyke English Open Sporting has grown in popularity and this year was the best so far with competitors shooting the 120 target course set across most of Sporting Targets from the Plantation to the main ground. The shoot started with some steady targets to help settle the nerves and build a score, a quartering away rabbit on stand 4 stole a target or two, the ramp was the first stand to open up the distance with a long slow crosser and a fast battue on report, midi crow on 9 had a victim or two and then onto plantation 10 the big platform which crushed a few scores, level 4 simo fast long rabbit and 5 yard rat caused some fun, the tower stand created an issue for some and the simo pair on 15 was shot both ways round with various different results.

The course gave something for everyone and all abilities with some laughs along the way, thank you to everyone that took the time out to enter this year's Jack Pyke English Open.

Marc Borner, grounds manager and Vince Elder set the course with the grounds team, lots of hard work setting everything ready for the big event but unfortunately Marc was taken ill on Tuesday so he didn't get to see the product of their work during the week, however Marc managed to come in on Saturday to see some of the course shot, he is on the mend now and we hope to see him back on the ground soon.

Special thanks to all of our generous sponsors; CCI, Barons & Chandlers, Edwards Eyewear, Truckeast, Swatcom and the headline sponsor Jack Pyke, without all this support the event would not be as popular as it is, their backing provides the daily prizes, goody bags and with them being around during the week the customers can say hi and talk product if they wish to, some of the sponsors shoot the round with their friends.

As it was the final day of the shoot we drew a winner from all the entries that took part to find the winner of the Jack Pyke Golden Ticket, this years lucky person was Kevin Moore.

Well done to all the winners.

Thank you again to all the sponsors and shooters who came and supported the Jack Pyke English Open 2022, we hope to see you all next year.

A special thanks go to all the team at Sporting Targets who worked really hard to make the event such a success and whose constant efforts made the shoot run like clockwork, from the publicity, making the goody bags, sorting the flowers, all the referees, the shop, grounds team, clubhouse and reception team without all these people we would have no event, we received many great comments and it was so nice that many shooters took the time to thank the team.

Thank you all and see you all next year.

**Andrew Clifton.**
